Re: Norwegian Patent Applications regarding
Helf. #582-534, and
Helf. #582-555

Dear George:

I have reviewed the office actions on these cases and it appears that you are correct in your analysis that the Examiner will be willing to allow the main claim in both applications. Consequently, you may take whatever action is necessary to obtain allowance of the main claims.

Yours very truly,

William B. Cridlin, Jr.
